Item Title: Second Amendment to Option Agreement Between City of Lemon Grove and the San Diego Community Land Trust for 8084 Lemon Grove Way

Staff Contact: David De Vries, Development Services Director

Recommendation:

Adopt a resolution amending the Option Agreement to provide a second six month time extension.

Item Summary:

In September 2014, the City and San Diego Community Land Trust (SDCLT) entered into a Purchase Option Agreement for the eventual sale of 8084 Lemon Grove Way, Lemon Grove Housing Authority owned land. The Purchase Option Agreement required SDCLT to complete certain milestones by specified dates. The fourth milestone—securing building and site improvement permits and securing, as to form, the 99-year ground lease proposed to be used as the conveyance of Affordable Unit interests—was to be completed by May 19, 2016 and the first Option Amendment extended this date to October 19, 2016. These milestones ensure that SDCLT has progressed towards the purchase of 8084 Lemon Grove Way. The applicant is working with City staff and other agencies to achieve this milestone; however, they will be unable to meet the specified deadline. The staff report presents an overview of progress towards achieving this milestone. City staff recommends that the City Council adopt a resolution amending the Option Agreement to provide a second six month time extension.

LEMON GROVE CITY COUNCIL STAFF REPORT

Item No. 1.E

Mtg. Date October 4, 2016

Item Title: **Second Amendment to Option Agreement Between City of Lemon Grove and the San Diego Community Land Trust for 8084 Lemon Grove Way**

Staff Contact: **David De Vries, Development Services Director**

Discussion:

On September 22, 2014, the City and San Diego Community Land Trust (SDCLT) entered into a Purchase Option Agreement for the eventual sale of 8084 Lemon Grove Way which is owned by the Lemon Grove Housing Authority (City Council Resolution No. 2014-3284 dated September 16, 2014). A nine unit housing development is currently entitled on the subject property based on approvals in 2007 and amendments approved on March 1, 2016. The Purchase Option Agreement allows SDCLT to purchase the property for one dollar in exchange for constructing the units and restricting them to moderate income households included in their 99-year ground lease mechanism. SDCLT is required to achieve certain milestones by specified dates. These milestones ensure that SDCLT has done their due diligence to determine whether the project is feasible.

The first milestone—submission of a business plan—was to be achieved by December 2014. The business plan was submitted on December 1, 2014 and the City Council reviewed the business plan and provided feedback to SDCLT on January 6, 2015.

The second milestone—securing entitlements and construction financing—was to be achieved by September 2, 2015 and October 19, 2015, respectively. Minimal revisions to the approved Tentative Map (TM0052) and Planned Development Permit (PDP06-09) were proposed and amendments to the floor and elevation plans were approved by the City Council on March 1, 2016. Entitlements are in place until February 20, 2017. On September 4, 2015, SDCLT submitted a Letter of Intent (LOI) from Torrey Pines Bank that has been signed with the Bank required deposit providing conditional approval for construction financing from Torrey Pines Bank. These actions satisfied the second milestone.

The third milestone—submit building and site improvement applications—was to be achieved by April 4, 2016. This milestone requires submittal of development plans and technical studies required for a grading permit, building permit, landscape permit, and a final map. Appropriate plans and reports include building and site construction plans, grading plans, a landscape documentation package, an acoustical analysis, a Storm Water Quality Management Plan and a hydrology report, draft Conditions, Covenants, and Restrictions (CC&Rs), and potentially other necessary reports, studies, and plans in accordance with City Council Resolutions 2694 and 2695, which approved TM0052 and PDP06-09 respectively. A “Hold Harmless” agreement was required for each submittal. In February of 2016, SDCLT submitted the necessary permit applications achieving the third milestone.

The fourth milestone—securing building and site improvement permits and securing approval as to form of the 99-year ground lease proposed to be used as the conveyance of Affordable Unit interests—was to be achieved by May 19, 2016; but is now extended to October 19, 2016. This

Attachment A

requires that all permits applied for in the third milestone are secured (permits issued and improvements secured either through a bond or cash deposit). At this time, SDCLT is responding to the initial corrections provided to them related to the building and engineering permits and the final map application submittals and is working towards removing all storm water detention facilities from the access road and onto the subject property. City staff estimates all of the needed engineering and building permits in the fourth milestone should be able to be issued and secured within three to six months. City staff recommends that a second six month extension to the Option Agreement be provided in order to allow SDCLT sufficient time to secure the permits.

SDCLT has submitted a draft ground lease for City review and the City provided feedback to SDCLT in June 2016 that the draft lease must: 1) eliminate provisions that would allow the units to revert to market rate housing in the event of a leasehold mortgage foreclosure, which would eliminate affordable housing restrictions; and 2) that provisions must be added to the lease that restrict the lease payments of the moderate income households (lessees) to be consistent with state law (mortgage payments and related housing costs shall be equal to or less than 35 percent of the gross monthly household income). The regulatory agreement will be drafted once concerns with the 99-year ground lease are resolved to ensure consistency with state law and City affordable housing objectives. A draft of the affordability agreements and the 99-year ground lease will be mutually agreed upon by City staff and SDCLT before it is submitted to City Council for consideration and approval at a future meeting.

Should the City Council decide to take no action providing for no amendment to the Option Agreement, then the Option Agreement will terminate on October 19, 2016 since the fourth milestone would not have been achieved and, thereafter, the developer would need to renegotiate a new option agreement with the City should they continue to pursue the project. The City Council may pursue other opportunities for the property if this option agreement terminates.

Conclusion:

City staff recommends that the City Council adopt a resolution amending the Option Agreement to provide a second six month time extension.

Clause 2 of the May 18, 2016 First Amendment to Option Agreement between the City of Lemon Grove and the San Diego Community Land Trust (SDCLT) requires that no later than October 19, 2016 SDCLT has secured building permits and secured the City's approval of the form of ground lease and Regulatory Agreement.

As you are aware SDCLT has worked diligently with Helix Water and the Fire Marshall to find an acceptable solution to the storm water regulations applied to this infill site. Unfortunately, no acceptable solution was found that would keep the pervious concrete access road. We have therefore, retained consultants to develop an alternative that would primarily rely on handling the storm water on site. These plans are currently being developed and we anticipate submitting the alternative storm water plan within 4 to 6 weeks.

In addition, we have yet to receive a draft Regulatory Agreement for review.

We therefore request an extension to the Option Agreement to allow us to conclude our development of the alternative storm water plan and review and agree on the form of Regulatory Agreement.
